

# Contents

<b>Introduction</b> .....	v-xii
Laboratory Overview .....	v
Functional Assessment .....	vi
Support Services .....	vi
Certifications and Medicare Compliance .....	viii
Turn-around Times .....	ix
Setting Up an Account .....	ix
Payment Billing Policies .....	ix
Explanation of Assessment Categories .....	xii
<b>Gastrointestinal Assessments</b> .....	G1-G60
Comprehensive Digestive Stool Analysis (CDSA) <i>Application Guide</i> .....	G3
Comprehensive Digestive Stool Analysis (CDSA) <i>Interpretive Guidelines</i> .....	G15
Vaginosis Profile <i>Mini Application Guide</i> .....	G21
Comprehensive Parasitology Profile <i>Application Guide</i> .....	G23
Intestinal Permeability <i>Application Guide</i> .....	G31
Intestinal Permeability <i>Interpretive Guidelines</i> .....	G39
Bacterial Overgrowth of the Small Intestine Breath Test <i>Application Guide</i> .....	G41
Lactose Intolerance Breath Test <i>Application Guide</i> .....	G49
Helicobacter pylori Antibody Assay <i>Application Guide</i> .....	G57
<b>Immunology Assessments</b> .....	I1-I14
Comprehensive Antibody Assessment <i>Application Guide</i> .....	I3
<b>Nutritional Assessments</b> .....	N1-N56
Elemental Analysis <i>Application Guide</i> .....	N3
Toxic Element Exposure Profile <i>Mini Application Guide</i> .....	N15
Toxic Element Clearance Profile <i>Mini Application Guide</i> .....	N17
Amino Acids Analysis <i>Application Guide</i> .....	N19
Amino Acids Analysis <i>Interpretive Guidelines</i> .....	N35
Essential and Metabolic Fatty Acids Analysis <i>Application Guide</i> .....	N41
Essential and Metabolic Fatty Acids Analysis <i>Interpretive Guidelines</i> .....	N53
<b>Endocrinology Assessments</b> .....	E1-E106
Bone Resorption Assessment <i>Application Guide</i> .....	E3
Bone Resorption Assessment <i>Interpretive Guidelines</i> .....	E13
Glucose/Insulin Tolerance Test <i>Mini Application Guide/Interpretive Guidelines</i> .....	E15
Adrenocortex Stress Profile <i>Application Guide</i> .....	E17
Adrenocortex Stress Profile <i>Interpretive Guidelines</i> .....	E33
Male Hormone Profile <i>Application Guide</i> .....	E37
Male Hormone Profile <i>Interpretive Guide</i> .....	E49
Female Hormone Profile <i>Application Guide</i> .....	E51
Female Hormone Profile <i>Interpretive Guidelines</i> .....	E59
Menopause Profile <i>Application Guide</i> .....	E63
Menopause Profile <i>Interpretive Guidelines</i> .....	E79
Comprehensive Melatonin Profile <i>Application Guide</i> .....	E85
Comprehensive Melatonin Profile <i>Interpretive Guidelines</i> .....	E97
Comprehensive Thyroid Assessment <i>Mini Application Guide/Interpretive Guidelines</i> .....	E99
Women's Hormonal Health Assessment <i>Mini Application Guide/Interpretive Guidelines</i> .....	E101
IGF-1 (Somatomedin C) <i>Mini Application Guide</i> .....	E105
<b>Metabolic Assessments</b> .....	M1-M66
Detoxification Profile <i>Application Guide</i> .....	M3
Detoxification Profile <i>Interpretive Guidelines</i> .....	M11
Oxidative Stress Analysis <i>Application Guide</i> .....	M15
Oxidative Stress Analysis <i>Interpretive Guidelines</i> .....	M23
Comprehensive Cardiovascular Assessment <i>Application Guide</i> .....	M27
Comprehensive Cardiovascular Assessment <i>Interpretive Guidelines</i> .....	M39
Metabolic Dysglycemia Profile <i>Application Guide</i> .....	M43
Metabolic Dysglycemia Profile <i>Interpretive Guidelines</i> .....	M55
Cellular Energy Profile <i>Mini Application Guide</i> .....	M63
Cotinine Assay <i>Mini Application Guide</i> .....	M65
